

2016 Dog Show Vendors

The Vendors at the Show this year all have fantastic dog products. So far we have 11 vendors signed up, with only one not selling quality dog products. And that Vendor, Buddy Sweet Treats sells the most yummy pralines, fudge and brownies, so surely you would want to check her out!

Courtney's

the General Dog Store will be in his usual place. We all know Courtney!

New Wave Photography

I have seen this Photographer's work and am very impressed. If you have had a fur baby at Oso Creek Animal Hospital, perhaps you have seen his work hanging in several of the examination rooms. He has a magical way of capturing our fur baby's inner spirit in his candid and sometimes humorous photographs of fur babies. Please check out his booth and see his work. He can also take pictures of your fur baby outside doing things in the grass, or since he is local, maybe you could schedule an appt. with him for a late date. We plan on having a picture taken of our Emma.

Dee's Place

Everyone who has shown a dog knows Dee! She tells me she has new items!!!! New Year, New Items!

Doc's Getter's Sharpening

Not only does Doc sharpen grooming scissors, but any type of household scissors, so bring your sewing scissors, or that special pair you always use at home!

K-9 CARS (Conditioning and Rehab Services)

This is an educational Booth. Kim Novak is a Certified Canine Physical Therapist. She works with all local Vets and Speciality Vet's from San Antonio and Houston, rehabbing dogs and cats that have had surgery or injuries. This is a "must see" informational booth. She would also be a wonderful training tool for our Club, perhaps coming to do an educational seminar for us at one of our meetings.

Oxyfresh Worldwide Inc

Very Original Creations

This Vendor is Ashlee Claggett. She is one of a very few Texas Junior Handlers that have been invited to Show at Westminster. She and her Mom are raising monies for her to make the trip! Congratulations to Ashlee! She is selling original jewelry and show leads made from Kangaroo leather.

Original Elevated Dog Feeders

This Vendor sells customized elevated dog feeders with your dog's name customized in the metal. The kind of dog food bowls that set up off the floor. She has sent pictures of her products and they are stunning!
